

# LIVERPOOL HOPE UNIVERSITY

1844

# UNDERGRADUATE GUIDE 2019

## Welcome from the Vice-Chancellor and Rector, Professor Gerald J Pillay,

Students of Liverpool Hope University have the best of both worlds; living and studying on friendly, beautiful and safe campuses while also having all the

advantages of being in one of Europe's most vibrant and culturally rich cities.

Our students benefit from the high quality of both our research and teaching. The 2018 Sunday Times Good University Guide has rated Liverpool Hope as **top three in the UK for teaching quality** and **top five in the UK for student experience**. In addition to this, the Government's new Teaching Excellence Framework (TEF), which looks at the performance of the UK's higher education sector, **recognised Liverpool Hope as gold standard**. TEF gold represents those universities with teaching "of the highest quality found in the UK".

Liverpool Hope University's research-informed teaching and its tutorial programmes are designed to support and care for our students, ensuring that they have access to academic or personal support.

Our rich academic heritage, combined with innovative thinking, will provide you with great opportunities and learning experiences. I look forward to welcoming you to our University.

## Open Days 2018

Wednesday 27 June

Saturday 7 July

Saturday 29 September

Saturday 3 November

Open Days provide a great opportunity for you to discover what life is like as a Liverpool Hope student. You can explore our beautiful campuses, see our great facilities, and talk to current students and lecturers.

**Come and visit us and find out about:**

- Our courses
- How to apply
- Funding your studies
- Accommodation options
- Learning support
- Planning your future career.

Find out more and book your visit at [www.hope.ac.uk/opendays](http://www.hope.ac.uk/opendays)

**Our Student Recruitment team**

Our Student Recruitment team visits UCAS fairs, university information events, and schools across the UK. To speak to them, or to arrange group or individual visits to the university, contact them on **0151 291 3111**, or [enquiry@hope.ac.uk](mailto:enquiry@hope.ac.uk)

## Teaching Excellence Framework – Gold for Liverpool Hope University

The Government's new Teaching Excellence Framework (TEF) is a scheme for recognising excellent teaching, in addition to existing national quality requirements for universities and other higher education providers.

It provides information to help prospective students choose where to study by measuring the things that students want in order to have a high quality university experience. It recognises:

- Excellent teaching
- Supportive environments and ways of learning
- Whether studying has enabled students to fulfil their potential, gain employment or go on to further study.

By gaining a gold rating, Liverpool Hope is:

“Delivering consistently outstanding teaching, learning and outcomes for its students”

“It is of the highest quality [universities] found in the UK.”

Only one in five higher education institutions achieved a gold rating, with Liverpool Hope University being the only university in the city to receive the highest rating.

The assessment highlighted a range of activities Liverpool Hope does well, including:

- Outstanding levels of stretch provided by good curriculum design and extracurricular activities
- A strategic approach to ensuring outstanding outcomes for students
- Effective initiatives to support employability and progression onto highly skilled employment
- An embedded culture of valuing excellence in teaching and learning
- An effective focus on student retention, with personal support offered to all students.

Teaching  
Excellence  
Framework

Liverpool Hope University is...

**Top 3** in the **UK** for **Teaching Quality**

**Top 5** in the **UK** for **Student Experience**

**Top 10** in the **UK** for **Student satisfaction**  
(NSS 2017)

## Why choose us?

We know that our students enjoy studying at Liverpool Hope University – the feedback we receive from them, combined with outstanding student satisfaction results in national surveys, tell us so. But what are the reasons you might choose Hope?

### Academic and teaching excellence

As all of our academics are involved in research, we have high academic standards. The recent Teaching Excellence Framework (TEF) ranked us as gold standard – the only university in Liverpool to receive this rating. Liverpool Hope's gold rating puts us alongside institutions such as Oxford, Cambridge, and Imperial College London.

### Employment and learning opportunities

We offer a wide range of combined honours degrees so that you can select a degree suitable for you and the career you want to pursue. Our Employability Hub can help you find part-time work while you are studying and provide career advice when, and even after, you leave.

### Student support

We get to know you as individuals so that we can help you to develop skills and interests outside your study area. At Liverpool Hope, you will be part of a vibrant community that provides help and support to make sure you get the best from university life.

### Friendly campuses

At Liverpool Hope you live and study on campuses with beautiful grounds and architecture. Our well-equipped smaller campuses mean that it's easier for you to get to know people and no-one gets lost in the crowd! There are lots of clubs and groups for you to get involved in.

### A fabulous city

Being in one of Europe's most exciting cities, our students have the best of everything; friendly, fun and safe campuses in a vibrant and exciting city. Liverpool offers students a massive variety of culture, entertainment, music and sport. From its historical waterfront, galleries and museums, to fantastic shopping centres, bars, bistros and cafés, it's no wonder that people flock to the city from all over the world.

### Our traditions and values

We are proud of our rich heritage but we are not stuck in the past. We combine the best of our history with contemporary and innovative thinking to provide you with a dynamic and caring university that looks to your future.

## Live, study and play at Hope Park

Liverpool Hope's largest campus, Hope Park, is a friendly educational village with places to live, work, study, eat and relax. It is situated in a leafy suburb of Liverpool, just four miles from the city centre. With major investment over recent years, the campus now consists of traditional architecture alongside state-of-the-art, modern, purpose-built buildings.

Hope Park offers all our students excellent facilities in beautiful surroundings and a warm student welcome.

The campus is home to the faculties of Education, Science and the majority of Arts and Humanities departments. It is also home to the Sports and Health Sciences Avenue, which has excellent sports and recreation facilities for all our students to use.

### Meet at Our Place

Our Place is the focus for student social activity on the Hope Park campus. It includes an American-style pizza restaurant, smoothie and coffee shop, and plays host to live music and comedy nights. It also has places to relax with friends and play pool or video games.

### Fresh Hope

Our Place opens up into Fresh Hope – the main restaurant on site. It offers a variety of hot and cold options, including a carvery, an extremely popular noodle bar, freshly prepared deli sandwiches and wraps, and a salad bar.

There are other coffee shops and cafés scattered all around the campus, including a new health food café in the Sports Complex, as well as a shop where you can buy drinks, snacks, newspapers and magazines.

## Be inspired by our Creative Campus

Our Creative Campus is close to Liverpool city centre and is the home of our creative and performing arts subjects. The University has invested heavily in this campus, which includes two theatres, two dance studios and two black box performance spaces, a music technology laboratory, a recording studio, and studios for painting, sculpture, wood, ceramics, metal and textiles. There are plans to extend the campus further, providing even more facilities for the students who are based there.

### The Cornerstone Building

The Cornerstone Building is home to the University's Drama, Dance and Performance Studies, and Fine and Applied Art Departments. It includes The Cornerstone Gallery, which supplements the student experience via a series of contemporary art exhibitions, student-led seminars and some of the best examples of current professional practice. The Cornerstone includes fantastic facilities for the development of students' artwork, including studios, kilns, workshops and metalwork studios.

The centrepiece of The Cornerstone is The Great Hall, a stunning example of open space suitable for a multitude of events, including student exhibitions and guest lectures. The Cornerstone Building also includes the Lounge, as well as a café for students to meet and relax.

### The Capstone Building

The Capstone Building is home to the University's Music Department and The Capstone Theatre, Liverpool Hope's dedicated performance venue, which provides an international music and arts programme throughout the year, including the Liverpool International Jazz Festival.

Liverpool Hope University is one of only six All-Steinway Schools in English higher education. The theatre is an acoustically excellent space housing a Steinway D Grand Piano, often described as the best piano in the world.

Since opening its doors, The Capstone Theatre has staged concerts and performances by leading national and international musicians and artists, as well as student performances.

### Angel Field

The Creative Campus's buildings are all set within the tranquil Angel Field – a stunning garden that is a great place to study and relax with friends. The Renaissance-style garden has won six design awards and was described by *Country Life Magazine* as '...one of the best examples of conceptual landscape design in the country'.

### Milapfest

Based in The Capstone Building, Milapfest is an Indian Arts development trust with a close partnership with Liverpool Hope. Milapfest are committed to providing sustained world-class education, training and performance opportunities to our students and the wider community. For further details, visit [www.milapfest.com](http://www.milapfest.com)

## The amazing city of Liverpool

Liverpool is a city like no other. From world-famous architecture and magnificent museums, to music legends revolutionising popular culture, Liverpool has always been a hub of creativity. Through spectacular festivals, dramatic sporting attractions and unique art, the city continues to be a gateway for UK culture, attracting millions of visitors every year. There is something for everyone in the city millennials have voted as the number one travel destination (Forbes, October 2017).

### Music

Liverpool is Europe's Capital of Music. It's impossible to imagine Liverpool without music – or music without Liverpool. Birthplace of The Beatles, the world's most famous pop group, the city is home to a host of first-class festivals, including Sound City, Liverpool International Music Festival, Africa Oyé and Liverpool Loves. The world-leading dance festival Creamfields is held just outside the city each year and attracts some of the biggest DJs in the industry.

The city's Liverpool Echo Arena hosts everything, from big name acts like Rihanna, Lady Gaga, Arctic Monkeys, Justin Bieber and Drake, to major entertainment events, including the MTV Europe Music Awards and the MOBO Awards.

There is also a thriving nightlife with all tastes catered for, from the latest clubs to 70s-themed bars and live music venues.

### Culture

We have working relationships with a wide range of cultural venues around the city. Liverpool's many art galleries range from the Walker, which contains one of Europe's outstanding collections of fine and decorative art, to Tate Liverpool, one of the largest galleries of modern and contemporary art outside London.

Liverpool Empire Theatre attracts all the latest touring theatre productions, while the Playhouse, Everyman, Royal Court and Unity theatres offer a rich and varied programme of classic and contemporary productions.

The city also boasts an array of world-class museums, including the International Slavery Museum, Merseyside Maritime Museum and the Museum of Liverpool.

### Sport

With the Grand National, golf and – of course – football, there are plenty of sporting events to keep even the most avid sports fan entertained. Liverpool is home to two Premier League football teams; what better place to come to watch the match?

### Shopping

Liverpool city centre is full of shops, with all the high street names available. The 42-acre Liverpool One development provides a stunning shopping complex in the heart of the city, with 40 individually designed buildings and over 150,000 square metres of shopping. Liverpool also has a range of vibrant independent retailers, and student-friendly shops offering one-of-a-kind pieces and vintage finds. Watch our film, Liverpool - A Students' View, to see what our students love about our iconic city.

## Home sweet home

Living on campus in one of our halls of residence is a great way for you to become part of the University family and Hope will soon become your home away from home. Living in halls will give you the best start to your new life, and provides you with a secure and fun place to live while you progress with your studies.

We have three accommodation sites: Hope Park, Creative Campus and Aigburth Park Student Village.

### Hope Park

Hope Park is the main teaching campus and the hub of student life. The 532 rooms available are reserved for first year undergraduates and include both en-suite and shared facilities rooms.

The en-suite halls at Hope Park provide you with both privacy and comfort. All rooms contain a single bed, double wardrobe, study area, chair, drawers and shelves, plus an en-suite shower room and toilet.

The rooms are arranged into flats of five, all sharing a large kitchen and dining area, which is equipped with a fridge-freezer, cooker, microwave, kettle, toaster, iron, ironing board and vacuum cleaner. The common room on the ground floor can be used for meetings, social events or just relaxing. Accessible rooms are available in these halls.

We also have six traditional halls of residence with shared bathrooms, providing an informal and friendly environment for students who enjoy socialising and making friends.

These halls are located in the historic Grade II-listed Hilda Constance Allen Building, or the 'Harry Potter Halls' as they are fondly known by our students. The rooms have period features, including recently

refurbished leaded windows and window seats. Many look out onto the Rector's Lawn with its landscaped borders.

Angela and Austin are purpose-built Halls located close to Fresh Hope and Our Place, the University's main eating and drinking venues. All of these halls provide single study bedrooms with all the essentials you need.

### The Creative Campus

The Creative Campus is the second of Liverpool Hope's teaching campuses and includes the historic Cornerstone Building, Cornerstone Café, and The Capstone Building and Theatre, as well as Gerard Manley Hopkins Hall of Residence. It is situated just outside the city centre and is convenient for all amenities associated with city living, while being away from the main hustle and bustle.

The modern, purpose-built hall is situated in Angel Field, a beautiful landscaped garden surrounding The Cornerstone and Capstone Buildings, where Liverpool Hope's Creative and Performing Arts courses are taught.

Accessible rooms are available in these halls.

### Aigburth Park Student Village

Aigburth Park is a residential campus approximately three miles from the city centre and Hope Park. The halls are set in private landscaped gardens and there is a wealth of shops, banks, bars and restaurants, plus a library located nearby. Liverpool's most famous park, Sefton Park, is also in the immediate vicinity. There are regular buses into the city centre and St Michael's train station is close by.

In addition to public transport a free shuttle bus service runs between our campuses throughout the day.

### Resident Tutors

The thought of going to university can be both exciting and daunting. You will be taking on a new academic challenge and

probably living away from home for the first time – a huge step for anyone.

Remember, everyone coming to university feels exactly the same and our aim is to ensure that you have the best possible experience, both in and out of class.

To help support you, we have a team of Resident Tutors at all of our halls who will be your mentors during your time there. They provide learning support and advice whenever you need it, and organise social events such as dining-in nights, which are included in your accommodation costs and are a great way to meet new people.

For more information about our halls and costs, please visit: [www.hope.ac.uk/halls](http://www.hope.ac.uk/halls)

## Hope Social

The university experience is about more than just studying. Hope Social is at the heart of Liverpool Hope's social scene, and brings together the diverse range of events and activities happening on and off campus each month.

When you arrive, you'll get your Freshers' planner, then each month our What's On guide features details of events you won't want to miss.

Hope Social is student-focused and we work with you to find out what type of activities and events you want to see. With something happening most nights at each campus, there's plenty to get involved in. From weekly Wednesday night dinners, to quiz nights, bingo, live bands and themed party nights, Hope Social has an event for you.

As well as events on campus, Hope Social organises Big Days Out to some of Britain's best-loved attractions, with previous trips including Chester Zoo, the Lake District, Conwy Castle and Stratford-Upon-Avon.

It also hosts our annual University-wide creative talent search – Fearless – which gives students the chance to represent the University at gigs and international festivals.

Previous winners have gone on to play in front of thousands of people at Liverpool Sound City Music Festival and Liverpool Football Club's Fan Zones.

Follow us on social media and check out our soundtrack to Hope, curated by and featuring Fearless winners Nikki and the Waves, and The Left Backs.

Nathan Moffett, from the The Left Backs, said: "By winning Fearless, my band was privileged to earn a slot in the 2016 Sound City line-up. It was a fantastic experience and helped to boost both our publicity and musicianship."

## Students' Union

As we are a relatively small university, you can be sure that when you join Liverpool Hope you will not be lost in the crowd. You will be treated as an individual and your views and opinions will be heard. You can become actively engaged in making a difference to the university experience by becoming a course representative for your year on the Staff/Student Liaison Committee.

The Students' Union and the University have a good partnership. We work together to ensure that every student is given the chance to share their views and that these opinions are taken into consideration in everything the University does.

The Students' Union is independent of the University and is run by students, for students. The primary objective of the Students' Union is to make positive change for students. This is achieved by representing your views, needs and concerns to the University, the National Union of Students and Government.

The Union is also incredibly important or the social aspect of University life, facilitating sports clubs and societies, and organising Welcome Week activities, including the Freshers' Fair. From paintballing to the Cheese and Wine Society, there are activities for everyone.

For more information about the Students' Union, visit: [www.hopesu.com](http://www.hopesu.com)

## Sporting life – something for everyone

Hope Park Sports opened in September 2016 and features:

- Main sports hall with six courts and a viewing gallery
- Squash courts
- Gym and fitness rooms
- Strength and conditioning suites
- New café and juice bar

Based within the Faculty of Science, the Sports Complex forms part of the Health Sciences Avenue, integrating health and sports sciences and providing excellent opportunities for leisure, fitness, study and research.

To ensure the sports facilities are easy for you to use, there are no monthly fees – a single yearly registration fee of £25 is all that is required, and then the gym facilities, courts and fitness classes are all free for you to use!

In addition to the activities in the Sports Complex, Liverpool Hope Students' Union also has a vast range of sporting societies for you to join. These include Gaelic football, netball, football, hockey, badminton and even cheerleading.

A full list of activities can be found on the Students' Union website: [www.hopesu.com](http://www.hopesu.com)

## State-of-the-art sport, health and sports science facilities

Our Health Sciences Building opened in 2016 and features specialist laboratory spaces dedicated to nutrition, genomics, cell biology and psychology, along with laboratories and space for sport and exercise science.

The building houses a 25-metre sprint track with force meters and motion capture for biomechanical analysis, a phlebotics lab for blood sampling, treadmills and BODPODs for physiological analysis, and a Dual-energy X-ray Absorptiometry (DEXA) scanner for assessing bone and muscle health. There is also a double-height robotics suite and engineering lab to aid the building and testing of drones.

Psychology labs include motor control capture and vision and colour labs, as well as cognitive and neuro-behaviour suites. The building also includes space for research synergies with psychology and sport.

Nutrition labs with food analysis and testing facilities, two large bioscience and environmental science labs, and a suite of dedicated research labs for the study of molecular biology, microbiology, cell biology, nutrition, molecular genetics, tissue culture and bioinformatics takes up the first floor.

## Student support

Starting university is the beginning of a new and exciting phase of your life and we are here to support and guide you from the moment you arrive until after you graduate.

### Student Support and Well-being

The Student Support and Well-being team is based in the Gateway Building at Hope Park. They provide an integrated one-stop shop for pastoral support services, which means you don't get passed around between departments. Services include everything from financial advice, access to counselling and emotional well-being support, to careers guidance, and services are available whenever you need them.

We have a dedicated senior member of staff – the Pro Vice-Chancellor (Student Life and Learning) Dr Penny Haughan – whose responsibility it is to oversee the whole student experience. This ensures you are given a voice and supported throughout your time with us.

Our priority is to make your time at Liverpool Hope an enjoyable and successful experience, providing you with help and support when you need it.

### Academic and learning support

At Liverpool Hope, we offer academic support from both your academic subject tutors and a team of personal academic support tutors based within each Faculty. If you are living in student accommodation, your Resident Tutor will also be able to offer you guidance with your studies.

Writing mentors, who are Masters and PhD students, are available to offer support to help you with essay planning, developing your academic writing style and understanding assignment feedback.

Study Skills support can help with note taking, organising your work and resources, timekeeping and exam preparation.

### Support for students with a disability

We are committed to enabling equality of opportunity in education for students, and will take reasonable steps to meet both the general need for access and the specific requirements of individuals with additional support needs. The University works with disabled students to ensure they are not disadvantaged as a result of their disability.

The Learning Support Team provides advice and assistance to both prospective and current students, with everything from applying for disabled student allowances to helping ensure that any appropriate adjustments are made to support a positive transition into the Liverpool Hope community.

Before accepting a place, disabled applicants are encouraged to explore how the University might be able to meet any additional study support or accommodation needs they may have. This should be done at the earliest opportunity by contacting the Learning Support Team.

For more information or assistance, please contact the team on:

**t: 0151 291 3427**

**e: [sdw@hope.ac.uk](mailto:sdw@hope.ac.uk)**

## Development and study opportunities

The University offers you a number of development and study opportunities that can be undertaken alongside your studies:

### Volunteering

The University encourages you to seek out opportunities for volunteering. This is a fantastic addition to your CV and will provide you with a range of skills to prepare you for your future career.

### The Service and Leadership Award

**(SALA)** is an extra-curricular programme designed to recognise the value of voluntary work. Volunteering and charity work are a great way to help you stand out from the crowd and will greatly enhance your career prospects. The hours you dedicate to volunteering will be converted into credits towards this award. You will also attend training in health and safety, leadership, and diversity and equality before producing a journal of your experience. This award is viewed as gold standard in the University and earns you an additional reward on graduation day.

### Global Hope

As part of the Service and Leadership Award (SALA) you will be given the opportunity to volunteer in developing countries around the world through Global Hope. This programme supports a range of educational communities in places such as India, Sri Lanka, Brazil and Uganda. Teams of students and staff travel to these countries to work on specific projects which could see you, for example, working in a school or orphanage alongside local staff. You are provided with training on cultural

issues, health and safety abroad, dimensions of poverty and planning for overseas projects.

### International Exchange/Study Abroad

Liverpool Hope encourages all students to study abroad during their degree. We have a significant number of partnerships with other universities around the world, particularly in North America and Europe.

Depending on your subject of study, you may have the opportunity to study abroad for a semester as an optional part of your degree.

Guidance and help for all students travelling abroad is available, with pre-departure briefings and support while overseas.

### Plas Caerdeon

The University owns Plas Caerdeon Outdoor Education Centre in Snowdonia.

The 80-bed centre offers a wide range of residential courses. As part of your studies, you may have the opportunity to visit this beautiful woodland setting on field trips, environment and biological research excursions, or art workshops.

The Centre also delivers team building courses, often including mountaineering, kayaking and other outdoor activities.

## Employment and careers opportunities

An impressive 96.5% of our graduates were in employment or further education six months after graduating in 2016, higher than the UK average of 93.9% (Higher Education Statistics Authority). The University is second highest in the North West for graduate employability.

At Liverpool Hope, we want you to have the best possible chance to embark on stimulating, rewarding and successful careers. In addition to strong academic qualifications, one of our key priorities is to develop well-rounded individuals who have more to offer. Our comprehensive Careers and Employability Service aims to ensure you have the right information, advice and opportunities to make the transition from student to professional, and to give you a great start in your career.

### The Employability Hub

Our dedicated Employability Hub is a one-stop shop for all things careers. Run by the Careers and Employability Team, its focus is to make students more attractive to employers through work experience, professional development and one-to-one support.

The Hub is the focus for:

- An exclusive placement service
- Professional networking sessions
- Information on graduate vacancies, internships and schemes
- Employer-led presentations and workshops
- Careers fairs and employability events
- Access to Careers Advisers, CV guidance and interview coaching
- Part-time paid work through Hope Works
- Service and Leadership Award guidance.

### Work experience

The Careers Team has numerous links with local, national and international employers, who provide varied work experience opportunities. Our placement service can match you with employers linked to your career choices.

### Hope Works

Hope Works is an initiative that provides paid part-time campus work for students. Positions range from working within the catering team, to project work with academic departments. Hope Works offers students the chance to earn a fair wage, develop skills valued by employers, and gain application and interview experience.

### My Careers Centre

All students have access to the online My Careers Centre portal, which can help you develop your skills, career plan and CV. It also provides careers tips, job search tools and an interview simulator. Additional resources include a weekly e-bulletin packed with job opportunities, internships, summer placements and careers events. Advice and guidance is also published on our blog [www.liverpoolhopecareers.com](http://www.liverpoolhopecareers.com)

For more information, contact the Careers Team:

t: 0151 291 3427  
e: [careers@hope.ac.uk](mailto:careers@hope.ac.uk)

## Studying at Liverpool Hope

The following section details the different undergraduate degree courses that can be studied at Hope, and prospective career paths. More detailed information for each of these can be found on our website:

[www.hope.ac.uk/undergraduatecourses](http://www.hope.ac.uk/undergraduatecourses)

We offer a wide range of degrees, most of which are studied over three years. They are:

- BA (Honours) in a single subject
- BSc (Honours) in a single subject
- BA (Honours) in two combined subjects
- BSc (Honours) in two combined subjects
- BA (Honours) Primary Education with Qualified Teacher Status (QTS)
- BEng (Honours) in a single subject
- MEng (Honours) in a single (four years) subject
- LLB (Honours) in a single subject
- MMath (Honours) in a single (four years) subject.

### Single Honours degrees

If you choose to study a Single Honours degree, you are choosing to study one main subject area. Single Honours degrees are a good choice if you have a particular subject area you want to study in more depth.

### Combined Honours degrees

If you choose to study a Combined Honours degree, you are choosing to study two subject areas equally. Combined Honours degrees are a good choice if you are interested in more than one subject area.

### Year in Industry degrees

Some of our degrees can be studied with a year spent in industry. This placement year is additional to your degree and gives you the opportunity to gain valuable workplace experience before you graduate.

### Part-time study

Most of Liverpool Hope's undergraduate programmes are available for study on a part-time basis, with the exception of the degree in Social Work and the Primary Education with Qualified Teacher Status (QTS) course.

Part-time study normally doubles an Honours degree programme to twice its full-time duration i.e. six years. Most part-time students opt to study for a Combined Honours degree programme and take their two majors in alternate years.

For details of how to apply for part-time study, visit: [www.hope.ac.uk/undergraduate/howtoapply](http://www.hope.ac.uk/undergraduate/howtoapply)

## Your degree, your choice

## Applying to Liverpool Hope

For all full-time higher education courses at universities and colleges in the UK, students must apply online at: [www.ucas.com](http://www.ucas.com)

There are three types of applicant:

1. Students studying at a school or college registered with UCAS
2. Independent applicants in the UK who are not at school or college
3. International applicants outside the UK (EU and worldwide).

For all applicants, there are full instructions at [www.ucas.com](http://www.ucas.com) to make it as easy as possible for you to complete your online application.

### Important information

The UCAS number and abbreviated name for Liverpool Hope University is L46 and LHOPE. These must be entered in the appropriate boxes of the UCAS form, along with course codes for your chosen programme(s), which can be found on the UCAS website and in this prospectus on the previous pages. Applications should be submitted by the UCAS deadline, which is usually 15 January each year. Depending on the circumstances, the University will accept further applications after this date.

### Entry requirements

At the time of going to print, the standard offer level is between BBB-BBC from A levels or DDM-DMM from BTEC, or 120-112 UCAS tariff points. Additionally, applicants will be required to meet any further subject-specific entry requirements (see subject information pages for further details).

For a full list of acceptable qualifications and offer levels, please refer to our subject entry profiles which are available from the UCAS website: [www.ucas.com](http://www.ucas.com)

## The Small Print

### Our contract with you

If we make you an offer of a place, we will be entering into a contract with you. In order for you to be fully informed in making a decision on accepting the offer, we will provide you with certain information. The information provided in this prospectus and on the University's website at: [www.hope.ac.uk](http://www.hope.ac.uk) forms part of that information.

The information provided in this prospectus was correct at the time of going to print. Up-to-date information is always available at: [www.hope.ac.uk](http://www.hope.ac.uk)

Specific information that we will send to you when we make you an offer will include details of the course content, delivery and assessment methods, the tuition fee we will charge you and any additional costs.

The University reserves the right to increase Home and EU Undergraduate and PGCE tuition fees for future years of study in line with any inflationary or other increase authorised by the Secretary of State.

We will also send details of how you can access the regulations governing your degree and its structure, including how you will progress from year to year, information on examinations and coursework, details of complaints and appeals procedures, details of disciplinary procedures, the full terms and conditions, your responsibility to pay all tuition fees on time and rules relating to refunds, rules and regulations relating to use of University IT Services and the Library.

When you register as a student at the University, you will agree to abide by these rules, regulations, codes and other policies and procedures, the details of which will have been sent to you with your offer letter and will be highlighted again at registration.

You will need to meet any conditions attached to your offer in order to register as a student.

### Right to cancel

You may have a statutory right to cancel your contract with the University within 14 days of accepting your place. More details about your right to cancel will be provided in your offer letter.

### Use of your data

The University is registered as a data controller with the Information Commissioner's Office. We will hold and process your personal data, including some sensitive personal data in accordance with our Data Protection Policy and fair processing notice, which can be found on our website.
