LIVERPOOL HOPE UNIVERSITY 175 YEARS ON

The University campuses continue to grow and flourish, most recently with the addition of a new Arts Centre, alongside refurbishment and expansion works to the Grade II-listed Cornerstone Building at the Creative Campus.

At Hope Park, new sport facilities, including 3G pitches, tennis courts and a strength and conditioning suite, were unveiled in 2016, alongside a state-of-the-art Health Sciences Building.

Liverpool Hope University continues to look to the future with confidence and remains true to its founding principles, providing a distinctive, supportive and top-quality learning experience.
