FORM A – INITIAL MODULE COLLECTION

Subject Title	Business Management
Degree / Major	Degree
Level	C

Instructions

Module codes - will be created by Student Administration - please leave as TBC

Module Title – This is what will be displayed in SITS/Student Records. If a module is running in multiple subjects, then ensure the same title is used across all included subjects, a module code will be created to reflect this setup. Please avoid the use of commas.

Semester – Please enter **SEM1** or **SEM2** for 'short' modules, for 'long' modules enter **SEM12**

Credit Value – For Level C you should enter **0**, **30** or **60**. Please note that **0** should only be used for Placement modules where required. Ensure credit value total is **120** (Degree) or **60** (Major).

Module Lead – If the module lead is not known at this time, the default should be the Academic Lead.

Module Information				
Module Code	**Module Title**	**Credit Value**	**Semester**	**Module Lead**
Example	*Introduction to the history of television*	*30*	*SEM1*	*A.N. Other*
TBC	**Academic and Future Skills Passport**	**30**	**SEM12**	**Jo Whittingham**
TBC	**Business Fundamentals**	**30**	**SEM12**	**Paula Raper**
TBC	**Business Environments**	**30**	**SEM12**	**Ilva Navarr Bateman**
TBC	**Business Practice in Context**	**30**	**SEM12**	**TBC**
TBC				

The normal expected delivery pattern for **Degree** is 30 (SEM1) - 30(SEM1) - 30(SEM2) - 30 (SEM2)
The normal expected delivery pattern for **Major** is 30 (SEM1) – 30 (SEM2)
If your delivery pattern is outside of the 'norm' please provide a short justification below:
