

Mission & Values Group – Terms of Reference and Membership 2024-25

Terms of reference

- To facilitate the interpretation and integration of the mission and values across all University activity (locally, regionally, nationally and internationally), assisting in the formulation and implementation of strategies.
- To propose activities and initiatives which enhance the ethos, voice and presence of the University.
- To provide focus on and leadership of University-wide involvement in matters of ecumenical importance.
- To make an annual report to the University's Co-Presidents.
- The group will advise University Council on these matters.
