All staff 'lite marshalling role'

AJB building now adopts 'self evacuation' among colleagues due to it being entirely staff offices. This means all staff at AJB understand that they have a fire marshal 'lite' role to ensure collectively we support and look out for each other in reacting to a continuous fire alarm, ensuring those around us in AJB are able to leave safely and alight to the assembly point by means of the closest exit. The fire assembly point as - **Pathway adjacent to laundrette.**
