

Frequently asked questions

Setting up Wisdom

Where can I find the Wisdom app?

The Wisdom app is available for both iOS and Android smartphones. You can download it free on the App Store and Google Play store. You can also access Wisdom on your desktop at wisdom.healthassured.org

How do I set up Wisdom?

Once you have downloaded Wisdom or accessed it via desktop, you will need to complete the sign-up process. This will only need to be completed once. Here's how:

1. Open the app on your device
2. Enter your organisation code. After each instruction, tap 'Next' to proceed
3. Enter your email
4. Finish your account by creating a password and agreeing to the Terms & Conditions and privacy policy. Your password must contain at least 12 characters, 1 number or symbol, and 1 uppercase letter.
5. Complete the 'Little bit about you' section with your first name, surname, date of birth, and gender. Your phone number and division is optional. Division refers to the branches and/ or departments in your organisation.
6. Optional – Allow Wisdom permission to sync with your device's health data
7. Optional – Enable push notifications
8. You are now set up on Wisdom!

I don't have an organisation code

You will need an Organisation Code to access Wisdom. If you have not received a code, please speak to your HR department in your organisation or contact our Client Services team.

How is my data used?

Wisdom tracks your wellbeing in a completely confidential way. To learn more about how your data is used, view our T&Cs and privacy policy on your Account page.

Health

Trackers

Wisdom helps track your sleep, water intake, steps, and general activity.

- You can sync your activity with your device's health app. Wisdom supports syncing with Apple Health and Google Fit.
- Set your own goals e.g., 10,000 steps a day, 2 litres of water a day, or 8 hours of sleep a night.
- If you did not enable device syncing during the sign-up process, you can press the 'Sync your data' button within the relevant tracker and follow the instructions.
- You can manually add data to the sleep, water, and general activity tracker.
- Aim to complete your progress circle and use the graph to see how you've progressed over the past week, month, or year.
- Keep your momentum going and win achievements when you reach your targets.

Resources

4-week plans

How do I access a 4-week plan?

1. Tap the Resources icon
2. Select '4 Week Plans'
3. Select the 4 Week Plan you wish to start
4. Tap 'Get started'

What can I expect from the 4-week plans?

Each day, you will be given 5-6 prompts. Check off any that you have completed in a day. Your health circles will then update with your progress.

You can review and check off your progress each day for 28 days. The idea is that you will constantly be completing your health circles as you build up healthy and sustainable habits over a 4-week period in the area you have chosen to focus on.

Breathing Exercises

How do I access the breathing exercises?

1. Tap the Resources icon
