

## NHS Postal Tests

1. You will need to organise your own test. The University do not source the tests. You can request a postal test from this website:

[www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus](https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus)

**DO NOT order a test if you do not have symptoms. The NHS make it very clear that tests are for people with symptoms only.**

2. Once you have ordered the test kit, you need to contact the relevant number.

## Hope Park

[gateway@hope.ac.uk](mailto:gateway@hope.ac.uk)

0151 291 3000

## Creative Campus

0151 291 3939

## Aigburth Park

0151 727 7262

Inform them that you have ordered a test and the date your test is expected to arrive. This way the campus operatives can keep a look out for your parcel and get it to you as soon as possible. If you receive any updates regarding delivery, please update the lodge on the numbers above.

3. Prior to you receiving your test, the lodge will organise a time with you for drop off. This will be done without you having to have any face to face contact with the campus operatives.
4. The lodge will leave your test kit outside of your flat entrance, floor door or main door. You will be told the most convenient place that it will be left.
5. Once you have carried out the test, you will need to post your test. **Please go straight to the post box and return back to your flat immediately. Exercise good hygiene when entering communal parts of your Hall. Make sure your hands are sanitised; you do not touch your face and that you wear a face covering.**

Hope Park Postbox:  
Cromptons Lane  
Last Collection: 16:45

Creative Campus Postbox:  
Moss Street  
Last Collection: 9:00 Monday – Friday
