

The University funds a free shuttle bus service while the main UG and PG teaching timetables are running. The service supports students travelling between our three campuses: **Hope Park, Creative Campus and Aigburth Park.**

The shuttle bus only stops at the points shown in the timetable below. When you board the bus, you will need to show your Liverpool Hope ID to the driver.

Please familiarise yourself with the full-service timetable that will be in operation during peak term times as well as the limited service timetable that will be in operation during reflective weeks. We recommend arriving at the bus stop at least ten minutes before the bus is due to depart.
