International Exchange Programme

International Exchange Fee Package 2021/22: Details

The Exchange Fee Package is activated when an Exchange applicant is offered a place on the **International Exchange Programme at Liverpool Hope University** and **accepts a contract to live in Halls of Residence (on campus)**. This is an inclusive Fee Package to make your Exchange experience as budget-friendly as possible.

The fee will only be cancelled if the applicant or Partner institution rejects the course at offer stage. Later cancellations are subject to conditions, which may incur cancellation charges.

International Exchange students who live off campus do not pay any fees to the University, but should be careful about their personal safety and security risks associated with living in the community and be aware of the additional costs for heating, water charges, Wi-Fi and contents insurance, plus travel to the University.

The Fees for 2021/22 Academic year are:

Programme	Programme dates	St Julie's Hall (shared bathroom)	Josephine Butler Hall (en-suite)
12-week Fall Programme	September to December 2021	£1,790	£1,982
12-week Spring Programme	January to March 2022	£1,790	£1,982
27-week Double Programme	September 2021 to March 2022	£3,810	£4,242
37-week Full Year Programme	September 2021 to June 2022	£4,795	£5,371

When you accept a place on the Exchange Programme, you automatically accept the terms of the **Exchange Fee Package**, which covers a range of benefits, wrapped up in one inclusive fee and explained here.

Arrival if you have booked a room in Halls

As long as you arrive on the Exchange Arrival Day, we will collect you from Manchester International Airport and transport you to your accommodation on campus. A member of staff will normally be at the Airport and another will be at Aigburth Park accommodation campus to meet you.

Accommodation

International students normally live at the Aigburth Park accommodation campus, which is about three miles from the teaching campuses (Hope Park and The Creative Campus). It is located in a safe area near to local

shops, cafes and restaurants and the beautiful Sefton Park. With the city centre only fifteen minutes away by public transport, you will have easy access to Liverpool's museums, galleries, restaurants, theatres, tourist spots and shopping areas.

In addition to your room, you will find a number of communal facilities, including a large common room with table tennis and pool table, a vending area, a launderette, a computer room and pleasant gardens. The campus is very secure with 24/7 security and a daily Reception service.

All rooms have a single bed (approx. 180 x 90cm), a desk, or study area, a chair, bookcase and wardrobe. On arrival, there will be a bed pack in your room consisting of a duvet and cover, a pillow and cover and a fitted sheet for the mattress. The rooms are in private flats and staff do not usually enter without permission or prior arrangement. Making beds, laundering bedding and cleaning rooms and communal areas is the responsibility of the flat residents.

The Standard Rooms in St Julie's Hall have single study rooms with a lockable door and shared access to a dining kitchen with cooking and storage facilities, plus a TV lounge and two shared bathrooms.

The En-suite Rooms in Josephine Butler Hall (upgrades are on request and subject to availability) have single study rooms with a lockable door and a small private bathroom (shower, toilet and washbasin), plus shared access to a dining kitchen with cooking and storage facilities, a TV and sofa. Please note that rooms in Josephine Butler Hall are generally smaller than St Julie's Hall and do not have a separate lounge within the flats.

To apply for a room on Campus you must complete the on-line accommodation application at www.hope.ac.uk/halls/. Room offers will be made by email and include the Accommodation Contract, which sets out the terms and conditions for living on campus. You must accept the Contract online and pay a deposit of £200 to secure your room - this is refundable after departure (conditions apply) and is not part of the Exchange Fee Package. If you wish to upgrade to an en-suite room please email accommodation@hope.ac.uk after you have completed the on-line application.

Orientation

The University will begin an international Orientation programme as soon as you arrive. This will include on-site support at Aigburth Park, local and city tours including help using public transportation, a campus tour of Hope Park and help with registration processes.

Tuition

You will take up to four Exchange courses, making a total of 60 Liverpool Hope academic credits per 12-week programme. You will be taught alongside full-degree seeking undergraduate students at Hope Park and the Creative Campus. See the Study Abroad and Exchange Guide for further information.

Catering

A range of food outlets at Hope Park and the Creative Campus offer hot and cold meals or drinks and snacks to

purchase. The Exchange Fee Package includes a Catering Card with credit equal to £420 per semester, to be used in the restaurants and coffee shops, the bar area and the Convenience Store. The card can also be used to purchase stationary items, gifts, or University branded clothing in the Varsity Store at Hope Park. Take-away food can be purchased from Our Place to take home for the evening.

Please note that the card is not operational in shops in the community or city centre. There are no catering outlets at Aigburth Park. Catering in the evenings, weekends and the holiday periods is the responsibility of the student. All study rooms have access to a self-catering kitchen for making meals.

The catering card is meant to be used in full during the Programme - **any credit left on the card at the end of the Programme will NOT be refunded to the student.** Students are advised to use all the credit on the card, but if any credit remains, it can be donated to charity via the International Hub.
