

Business Management BA (Hons)

UCAS Code: N200 | Duration: 3 years | Full-time | Hope Park | 2025/2026

Placement year opportunities available

Course Overview

The world of Business Management is fast-moving and dynamic. Business organisations are facing unprecedented change and complex challenges both within the UK and globally. This demands that students who enter the business sector understand the dynamics of the business environment and how organisations operate in increasingly uncertain situations. The Business Management degree examines small to medium-sized enterprises to global multi-national companies – public, private, not-for-profit with a focus on business principles, organisational dynamics and management processes.

Liverpool Hope Business School holds the prestigious AACSB accreditation and has an enviable reputation for developing students with sound theoretical principles, thorough understanding of contemporary business practices and informed by the latest research. The links we have with local and national businesses, plus links with professional bodies, ensure you are well prepared for the world of work.

This in-depth degree gives you the opportunity to understand how businesses operate and the ethical and social impact they have on communities. An experienced, student-focused team will develop your understanding of this business context and develop the critical business skills and transferable skills that future employers will demand.

Entry Requirements

This course follows the standard University entry requirements. Please see the website for further information.

Fees and Additional Costs

The tuition fees for 2025/2026 are £9,535 for full-time undergraduate courses.
